

“SHARE THE LOVE”

“Pocketbook Ministry”

Girls' Night Out

will be sharing the love with ladies at the Hattie Lee Burgess House - a safe haven for women who have experienced domestic violence.

These women leave with only the clothes on their backs - so help us share the love of Christ by filling a pocketbook with toiletries and other items that might be useful during their stay - and add an item or two that expresses the hope and love of our Lord, Jesus Christ!

JOIN US!

Thursday, February 9th @ 6:30 PM
Lexington Community Church
North Campus, 71 Biesecker Rd.

Bring a valentine, as well, so we can share the love with each other, girls!

Have a valentine sweet you'd like to share?
